

also incorporates by reference U.S. Application Serial No. 09/559,593, filed April 28, 2000, U.S.

Patent No. \_\_\_\_\_, Attorney Docket No. BS99-186.

### REMARKS

By this preliminary amendment, the specification has been amended to include the serial number of another application that was cited in the application. No new matter has been entered by this amendment. Applicants respectfully request that this application is in condition for examination.

Should the Examiner have any questions or determine that any further action is desirable to place this application in even better condition for allowance, the Examiner is encouraged to telephone applicants' undersigned representative at the number listed below.

Respectfully submitted,

ZELLNER ET AL.
